

ASHWIN PATELIYA

Web Developer

■ +91-7567171031 ✉ ashwinpateliya2125@gmail.com ■ Bhavnagar, Gujarat

Summary

Motivated and detail-oriented Web Developer with hands-on experience in building responsive web applications using HTML, CSS, JavaScript, React.js, Node.js, and Express.js. Skilled in frontend development, REST API integration, and database management using MongoDB and MySQL. Passionate about creating clean, user-friendly interfaces and continuously learning modern technologies.

Skills

Programming: Java, JavaScript, SQL

Frontend: HTML5, CSS3, Bootstrap, React.js, React Router

Backend: Node.js, Express.js

Database: MongoDB, MySQL

Tools: Git, GitHub, VS Code, Postman

Core Concepts: OOP, Data Structures and Algorithms

Projects

File Upload System | React.js, Node.js, Express.js, Multer

- Developed a file upload platform supporting PDF, Excel, CSV, JPG, JPEG, and PNG formats.
- Implemented drag-and-drop functionality using React Dropzone.
- Integrated REST APIs using Axios for communication between frontend and backend.
- Used Multer middleware for secure file handling and storage management.
- Built responsive UI with file preview and upload status features.

Animated Login Page | HTML, CSS, JavaScript, Font Awesome

- Developed a modern Login and Registration page with Sign In and Sign Up functionality.
- Implemented smooth animations, overlay transitions, and responsive layouts.
- Added social media icons and interactive UI elements for improved user experience.
- Optimized the design for mobile devices and cross-browser compatibility.
