Personal Information

Father's Name: Pateliya Ashokbhai Nagjibhai

Date of Birth: 15-10-2005

Email: ashwinpateliya2125@gmail.com

Phone: 7567171031

Education

B.E. Information Technology

2023-2027

Government Engineering College, Bhavnagar

CGPA: **8.09/10**

Class XII (GSEB)

2023

Percentage: **61.84%**

Class X (GSEB)

2021

Percentage: **75.00%**

Summary

Motivated and detail-oriented web Developer with skills in HTML, CSS, JavaScript, React.js, Program Solving, Oops, Os,SQL and Bootstrap. Passionate about building responsive and user-friendly web applications.

Skills

- Programming Languages: JavaScript, Java
 - Frontend Technologies: HTML5, CSS3, JavaScript
 - Frameworks and Libraries: Bootstrap, React Router
 - Backend Technologies: Node.js, Express.js
 - Database: MongoDB, MySQL
 - Tools: Git, GitHub, VS Code
-

Projects

1) File Upload System Using React.js and Node.js

June 2026

Developed a File Upload System using React.js for the frontend and Node.js with Express.js for the backend. The application allows users to upload multiple files through a drag-and-drop interface using React Dropzone. It supports various file formats such as PDF, Excel, CSV, JPG, JPEG, and PNG. Multer middleware was used for file handling and storage on the server. The project focused on creating a responsive and user-friendly interface while ensuring efficient file validation and management.

2) Rock Paper Scissors Game Using HTML, CSS, and JavaScript

April 2026

Developed an interactive Rock Paper Scissors game using HTML, CSS, and JavaScript. The application allows users to play against the computer by selecting Rock, Paper, or Scissors, while the computer generates a random choice automatically. Implemented game logic to determine the winner based on user and computer selections and displayed the results dynamically on the screen. Designed a responsive and user-friendly interface with score tracking functionality to improve user engagement and overall gaming experience.
